

ENVIRONMENTAL POLICY

Green 2 Delivery Ltd recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods.

OUR MISSION

"To deliver products with renewable sources and purchasing policies in line with the circular economy"

RESPONSIBILITY

Jason Atkins, Director, is responsible for ensuring that this environmental policy is implemented, however, all employees have a responsibility in their area to ensure that the aims and objectives of this policy are met.

POLICY AIMS

We endeavour to:

- Comply with all relevant regulatory requirements
- Continually improve and monitor environmental performance
- Continually improve and reduce environmental impacts
- Increase employee awareness through the culture, attitude and beliefs within the business

OUR COMMITMENT

We are committed to managing and controlling all environmental impacts that may occur within our business, operations, and activities. We believe in being environmentally friendly by recycling and disposing of packaging correctly and responsibly. Ethical and responsible; rapidly moving towards a zero-waste culture.

WE WILL:

- Ensure an ethical and responsible work culture
- Maximise our recycling rates and work towards zero waste
- Reduce the consumption of paper and office supplies by increasing and improving our electronic filing and systems
- Only use providers of renewable energy sources (committing to 75% renewable energy with immediate effect, and 100% renewable energy by 2025).
- Review our environmental performance on an ongoing basis.
- Review this Policy on an annual basis
